For seven years, Franck Dangereux has delighted patrons of the celebrated, multi-award-winning La Colombe restaurant at Constantia Uitsig in Cape Town.

In this book he reveals some of the secrets of the extravagantly sensual dishes served at La Colombe, but also offers simpler fare, inspired both by his childhood in the south of France and his love of South Africa.

Combining practical instructions that even the least experienced cook can follow with an overriding passion for good food, this is a culinary journey that will inspire anyone who recognises the pleasure of taste.

FRANCK DANGEREUX is an internationally renowned chef who earned his stripes at three-star Michelin restaurants in France. He subsequently worked in the Caribbean and Morocco before settling in Cape Town, where he started La Colombe on Constantia Uitsig wine farm.

His flair for food has made this South Africa's best restaurant, as voted by Business Day for three years.
